Dear uncle, *rec'd this card, Aug 31, 1911*

How
are you standing
this weather? It
has been quite hot
here but is cooler
now. I guess the
drouth killed all
our fruit as you
don't see very much.
I have been having
my vacation but
will have to go
back to work
Mon. Aug 28, 1911
Write soon. Sincerely

Hannie Bremanan.
